# Brief Introduction 学校概况

云南农业大学创建于1938年，是省属重点大学。现有22个学院，有从专科教育到研究生教育完备的人才培养体系。有9大学科门类，36个专业类别，形成了农科优势显著、其他学科特色鲜明、多学科协调发展的良好局面。正在创建特色鲜明的区域高水平教学研究型大学。

Yunnan Agricultural University (YAU) was established in 1938, and it has developed into one of the key universities in Yunnan Province. The university consists of 22 colleges and has a complete talent training system for all levels of education, from technological academy education to postgraduate education. There are 9 disciplines and 36 specialty categories in our university. And these specialties form a favorable educational system, which is characterized by the remarkable advantages of agricultural science, the distinct characteristics of other disciplines, and the coordinated development of multi-disciplines. YAU is striving to develop into a regional, high-level, teaching and research-oriented university.

## 学院设置 Brief Introduction Colleges

- 农学与生物技术学院 College of Agronomy and Biotechnology
- 动物科学技术学院 College of Animal Science and Technology
- 动物医学院 College of Veterinary Medicine
- 植物保护学院 College of Plant Protection
- 园林园艺学院 College of Horticulture and Landscape
- 资源与环境学院 College of Resources and Environmental Sciences
- 食品科学技术学院 College of Food Sciences and Technology
- 烟草学院 College of Tobacco Science
- 龙润普洱茶学院 College of Long Run Pu'er Tea Academy
- 水利学院 College of Water Resources
- 机电工程学院 College of Mechanical and Electrical Engineering
- 理学院 College of Sciences
- 大数据学院 College of Data Science
- 建筑工程学院 College of Civil and Architectural Engineering
- 马克思主义学院 College of Marxism
- 经济管理学院 College of Economics and Management
- 人文社会科学学院 College of Humanities and Social Science
- 外语学院 College of Foreign Languages
- 体育学院 College of Physical Education
- 国际学院 International Education College
- 热带作物学院 College of Tropical Crops
- 职业与继续教育学院 College of Vocational & Continuing Education

# History 历史沿革

## 初创时期

### Founding Period

- 1938** 国立云南大学在呈贡县碓臼村创建农学院  
The Agricultural College of State-Run Yunnan University was founded in Duijiu Village, Chengong County.
- 1939** 农学院农艺学系和森林学系招生48名学生  
Departments of Agronomy and Forestry enrolled 48 students.
- 1946** 农学院由呈贡县迁回云南大学熙园（现原农新村）  
The Agricultural College moved to Xiyuan campus(which is now New Yuannong Village) of Yunnan University.

## 发展壮大

### Developmental Period

- 1953** 农学院园艺系、蚕桑系并入西南农学院  
Departments of Horticulture and Sericulture were incorporated into the Southwest Agricultural College.
- 1953** 农学院畜牧兽医系并入四川大学  
Animal Husbandry and Veterinary Department of Agricultural College was incorporated into Sichuan University.
- 1958** 独立成立昆明农林学院  
Kunming Agricultural and Forestry College (KAFC) was founded independently.
- 1962** 滇西大学、滇南大学农学、林学专业并入昆明农林学院  
Agronomy and forestry majors of West Yunnan University and South Yunnan University were incorporated into KAFC.
- 1965** 成立云南农业劳动大学  
Yunnan Agricultural and Working University (YAWU) was founded.
- 1971** 昆明农林学院和云南农业劳动大学合并为云南农业大学  
KAFC merged with YAWU into Yunnan Agricultural University (YAU).
- 1980** 云南农业大学从寻甸县天生桥搬回昆明市落索坡村校址  
YAU moved from Tianshengqiao of Xundian County to the current location at Luosuopo Village in Kunming City.

## 跨越发展

### Rapid Development Period

- 1993** 云南农业大学成为省属重点大学  
YAU became a provincial key university of Yunnan.
- 2003** 成为博士学位授权单位  
YAU was authorized to award doctoral degree.
- 2004** 云南省建筑工程学校并入  
Yunnan Architectural Engineering School was incorporated into YAU.
- 2007** 建立博士后科研流动站  
A post-doctoral working station was established in YAU.
- 2008** 教育部本科教学评估优秀  
YAU was graded as "Excellent" in the undergraduate teaching assessment administered by the Ministry of Education.
- 2009** 成立云南农村干部学院  
Yunnan Rural Cadres' Institute was founded.
- 2013** 成立云南省食品安全管理学院  
Yunnan Institute of Food Safety Management was founded.
- 2013** 云南农业大学新农村发展研究院获批建设  
Institute of New Rural Development was approved to found.
- 2014** 成立云南省高原特色农业产业研究院  
Yunnan Plateau Characteristic Agricultural Industry Research Institute was founded.
- 2014** 云南热带作物职业学院、云南省农垦总局干部学校并入  
Yunnan Tropical Crops Vocational College and Cadres' School of Yunnan Reclamation Bureau were incorporated into YAU.
- 2016** 西南中药材种质创新与利用国家地方联合工程研究中心获批建设  
National and Local Joint Engineering Research Center of Genetic Resource Innovation and Utilization of Chinese Medical Materials in Southwest China was approved to be founded in 2016.
- 2016** 2016年国家农业农村大数据中心云南分中心获批建设。  
National Agricultural and Rural Data Science Center Yunnan Branch was approved to be founded in 2016.
- 2016** 通过教育部本科教学工作审核评估  
YAU passed the undergraduate teaching assessment administered by the Ministry of Education in 2016.

# Philosophy University 办学理念

办学理念 Philosophy of Schooling

**育人为本 质量立校 人才强校 科研兴校 彰显特色**

Educating students by highlighting distinctive features as the core, stressing quality for development, valuing talents for improvement, and encouraging research for prosperity.

大学精神 Spirit of the University

**开学养正 耕读至诚**

Be a scholar of integrity; Be a learner of sincerity.

校训 Motto of the University

**厚德博学 明理尚农**

Virtuous and knowledgeable; Pursuing truth and serving agriculture.

校徽 University Logo

校徽核心标志是一个问号，象征打开知识之门的钥匙。整个云纹形成的构图如同正在茁壮成长的植物胚芽，体现学校的特征特色、发展前景，稻穗意喻办学育人取得的累累硕果。

In the core of the logo is a question mark, symbolizing the key to the door of knowledge. Surrounding the key is a cluster of cloud lines, resembling the growing plant germs, which indicates the university's distinctive features and promising future. Outside the germs are two rice ears in the shape of the letter U, ripe and golden, implying the fruitful results the University has achieved and will achieve in education.

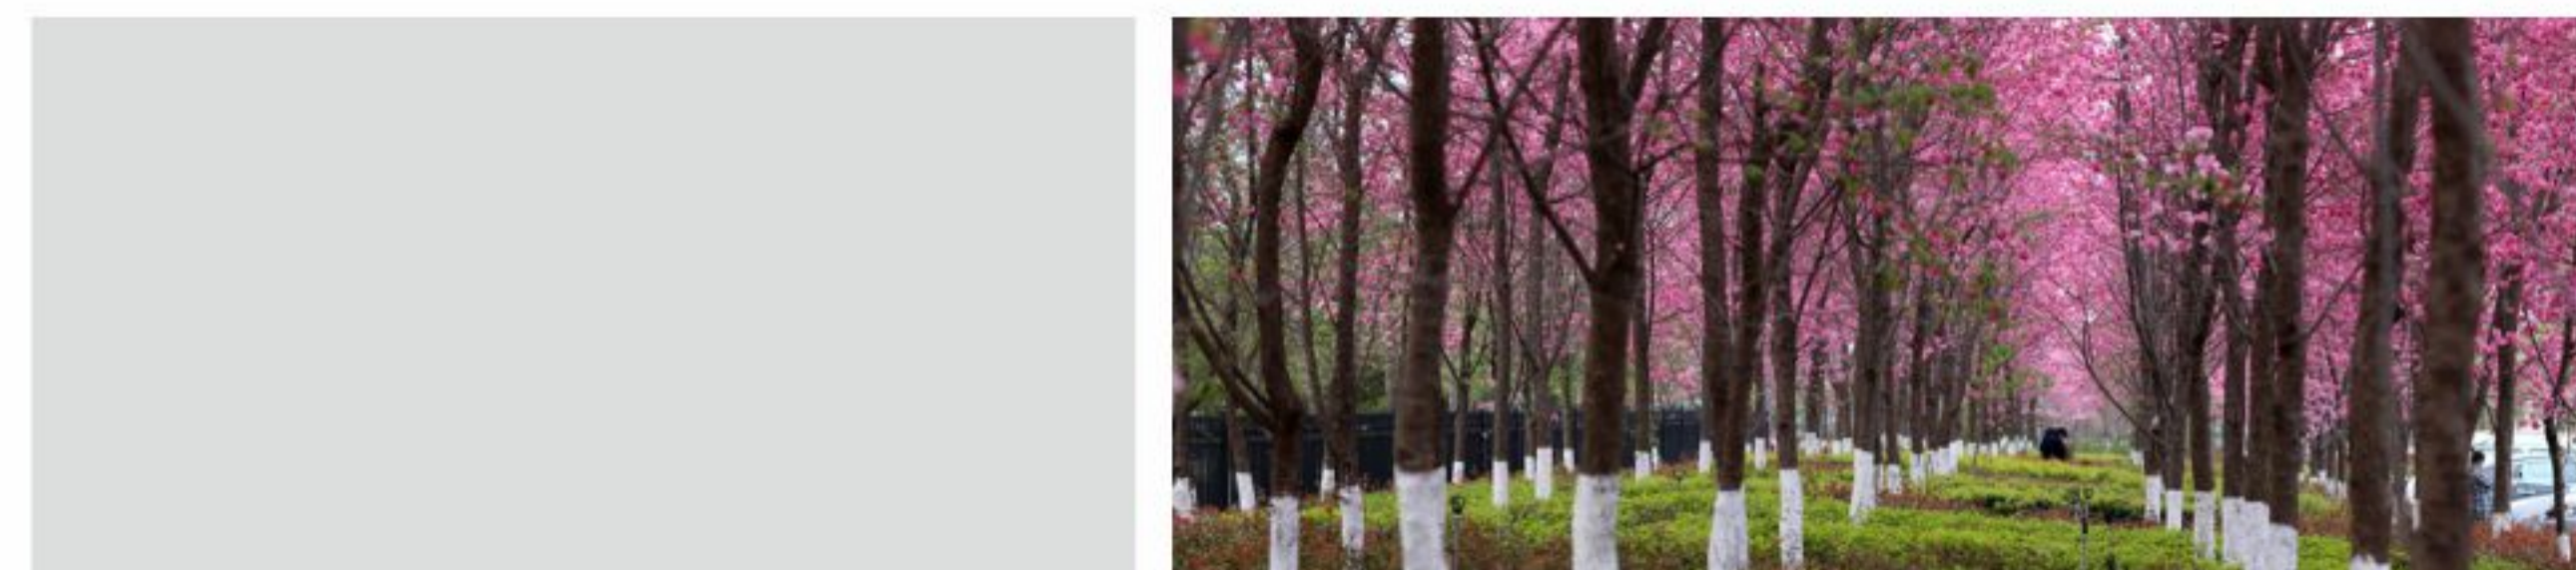

# Facilities 校园建设

学校有四个校区：校本部，五华校区、普洱校区、西双版纳校区。校园占地面积3802.85亩，校舍面积687389平方米，固定资产143337.5万元，仪器设备值35565.19万元。图书馆馆藏文献424.4万册，中外文数据库71个。

校园内有线网和无线网全覆盖，信息点总数18000多点，虚拟化“私有云”平台提供近1000核心、300TB的计算与存储容量，互联网出口总带宽达12.8G。

The university has four campuses: the main campus, Wuhua campus, Pu 'er campus, and Xishuangbanna campus. The university covers an area of 3,802.85 *mu*, boasting the buildings of 687,389 square meters, fixed assets of 1,433,375,000 yuan, and instruments worth of 355,651,900 yuan. The library of the university has a collection of 4.244 million volumes and 71 databases in Chinese and other languages.

The four campuses have a full coverage of cable and wireless network, with a total of more than 18,000 points of information. The virtualized "private cloud" platform provides nearly 1,000 cores and 300TB of computing and storage capacity. And the total Internet exit bandwidth is up to 12.8G.

# Faculty and Staff 师资队伍

现有在职教职工1781人，其中，专任教师1353人，正高级职称229人，副高级职称574人，享受国务院特殊津贴专家30人，二级教授28人。有中国工程院院士、百千万人才工程国家级人选、各级各类学术技术带头人，有国家级省级教学名师、优秀教师、劳模、道德模范。

Currently, the university has 1781 in-service staff, of whom 229 are professors, 574 associate professors, of which 30 are enjoying the State Council allowance. The university has 1 academician of Chinese Academy of Engineering, 3 teachers elected to be members of the national "Millions of Talents" Project. Many teachers are awarded for their great contributions to Yunnan province and the whole country. They have won the titles as state-level outstanding teacher and provincial outstanding teacher. Many of them are leaders and reserve talents in provincial academic and technological research. There are teachers who are model workers and moral models.

# Disciplines and Specialties 学科专业

学校拥有农学、理学、工学、文学、法学、经济学、管理学、教育学、医学9大学科门类，植物与动物科学学科进入ESI全球排名前1%。

有17个专科专业、77个本科专业，国家级特色专业6个、省级特色专业7个、省级重点建设专业8个，水利水电工程专业通过中国工程教育专业认证。

有一级学科博士学位授权点5个，二级学科博士学位授权点15个，一级学科博士后科研流动站1个。有一级学科硕士学位授权点12个，二级学科硕士学位授权点59个。

The university possesses 9 fields of Disciplines of Conferring Academic degrees, namely agronomy, science, engineering, literature, law, economics, management, education and medicine. Two majors, Plant and Animal Sciences, have entered the top 1% of ESI global rankings.

There are 17 diploma programs, 77 bachelor degree programs, 6 national characteristics specialties, 7 provincial characteristic specialties, and 8 provincial key majors. The major of Water Conservation and Hydroelectric Engineering has passed got the Chinese engineering education professional certification.

There are 5 doctoral degree programs in the first-level disciplines, 15 in the second-level disciplines, and 1 post-doctoral research station in the first-level disciplines. There are 12 master's degree programs in the first-level disciplines and 59 in the second-level disciplines.

## Talent Development 人才培养

学校有研究生教育、本科教育、专科教育、成人教育和职业教育等完备的人才培养体系。构建了完善的理论教学体系、实践教学体系和第二课堂育人体系以及教学质量监控体系。

1983年成为硕士学位授权单位，2003年成为博士学位授权单位，2007年设立植物保护一级学科博士后科研流动站。

The university has established a comprehensive talent development system with the programs of postgraduate education, 3-year education, college education, adult education and vocational education. Also, it has constructed a sound theoretical teaching system, practical teaching system, and the second classroom system and teaching quality monitoring system.

The university started the offering of Masters and Ph.D.s respectively in 1983 and 2003. The post-doctoral working station which is of the first-level discipline Plant Protection was established in 2007.

云南省农业高级技术人员80%以上、农业推广站负责人80%以上、县乡主管农业的领导80%以上是云南农业大学的毕业生。

The university has the over 25,000 full-time undergraduates and over 7,500 students of adult education. The university has already cultivated over 150,000 full-time students and over 100,000 adult education students for the society.

Over 80% of senior agricultural technicians in Yunnan Province, over 80% of leaders in its agricultural extension stations, and more than 80% of leaders in charge of county and township agriculture all graduated from Yunnan Agricultural University.

# Research 科学研究

2001年以来，学校共承担各类新增科研项目4183项，到位经费12.436亿元。在动植物品种选育、种质资源保护、畜禽营养与饲草饲料、地方特色生物产业、环境资源与生态保护、农田水利与节水农业、农业工程与农业信息等方面形成鲜明特色和独特优势。

在中国生命科学科研机构排名中位居98位。有11个专家院士工作站。

有国家级科研实验平台4个，部省级科研实验平台46个；云南省高校重点科研实验室平台17个，省级创新人才培养基地2个。实验实习基地250多个。

Since 2001, the university has undertaken 4,183 scientific research projects with a fund of 1.2436 billion Yuan. It has distinct features and unique strengths in the aspects of animal and plant variety breeding, germplasm resources conservation, livestock and poultry nutrition and forage, bioindustry with local features, environmental resources and ecological protection, irrigation and water conservation & water-saving agriculture as well as the agricultural engineering and agricultural information.

It ranks No. 98 among Chinese research for biological sciences. It has 11 workstations for expert and academician.

There are 4 state experimental platforms, 46 provincial experimental platforms, 17 university key laboratories, 2 provincial bases for developing innovative talents and over 250 bases for field research.

# International Exchanges 国际交流

与英国、美国、新西兰、泰国等20多个国家的70多所院校建立了交流合作，累计培养30多个国家和地区的各类长短期留学生4000多名。现有国际留学生90多名。

1997年，获得留学生招生资质，2014年，成为中国政府奖学金生委托培养院校。

与荷兰范豪劳伦斯坦大学、英国胡弗汉顿大学、新西兰林肯大学、新西兰商学院、泰国大学开展中外合作办学项目。

广泛开展援外国际培训、汉语国际教育与推广，举办承办国际学术论坛或会议。

Yunnan Agricultural University (YAU) has established exchanges and cooperations with more than 70 institutions in more than 20 countries, including the United Kingdom, the United States, New Zealand and Thailand, etc. Over 4,000 students from over 30 countries and regions have got short or long term training here.. There are more than 90 international students in the university now.

YAU has qualified to enroll international students since 1997, and is the contract partner of the China Scholarship Council (CSC) for CSC's scholarship programs since 2007.

Sino-Foreign cooperation projects are going on with University of Van Hall Larenstein in Netherlands, University of Wolverhampton in the United Kingdom, University of Lincoln in New Zealand, the New Zealand Business School and University of Thailand.

YAU also conducts international training assistance, international Chinese language education, and holds international academic forums or conferences.

Joint research projects funded by GEF, FAO, EU, IPGRI, ADB, and IRRI have been carried out by YAU and its partners.
